

# Hosting Capabilities and Services

PDS has established a world-class operational infrastructure to support its cloud hosting solutions. In conjunction with our own expert IT and Security team, we utilize close partnerships with high-quality service providers including AWS GovCloud which provides us solutions tailored to any size business in the GovCon industry.

- Deltek Costpoint ERP Hosting, including the PPM Suite Cobra, Open Plan, and PM Compass
- AWS GovCloud (US) and ITAR Space
- AWS FEDRAMP
- DFAR Compliance
- 24/7 Network intrusion detection, threats, and vulnerability scanning
- ActiveWatch Security Operations Center monitoring with LogReview

Contact PDS to discuss your hosting requirements and to schedule a demonstration of Deltek Costpoint, the industry leading enterprise resource planning software.
